MASTER TECHNICIAN ELECTRICAL TROUBLESHOOTING COMPETITION 2010

FIRST PLACE SECOND PLACE THIRD PLACE

NO ENTRY FEES!

Step-up into the winner's circle and be recognized for your technical skills! The electrical troubleshooting boards will be set-up and ready for you to troubleshoot, just bring your meter and be ready to read the schematics and start troubleshooting. The electrical troubleshooting board is bugged – just find the problem (should take about ten minutes or less).
